

WELCOME TO STOVER SCHOOL'S SPORTS TOUR 2020

Dear Parents and Pupils,

I am delighted to be able to announce this sports touring opportunity for our pupils. Thanks go to the PE department for organising the tour and I sincerely hope a great many of you seize the moment and tour overseas. As well as offering you the chance to play teams from another country, a sports tour enables you to access concentrated and high level coaching, to make new friendships, to explore a new country and to challenge yourself and grow on a personal level, as well as secure a trophy or two. The best of luck and enjoy every moment. Please see below some further information on how you can sign up to the tour from the PE department.

Kind regards

Mr Richard Notman
Headmaster
Stover School
